TurnAbout

The S2 8.5's hull dimensions, sail area displacement and general design characteristics put her square in the middle of the modern 28-footers such as the Tanzer 8.5, Newport 28, O'Day 28 and Pearson 28. The S2 8.5 PHRF rating is 174 to 180. Below decks the 8.5 boasts a wide cabin with a traditional forward V-berth and aft quarter berth. The head can be closed off from both the forward and main cabin.

Offered at \$11,500
